## **2019 – 2020 School Year**

All students from the 2019 – 2020 school year were assessed according to the classwork and testing completed until the school closure in March along with some additional testing in May and June that was conducted online.

Final student assessments were made by the teaching staff and any students that were eligible were promoted to the next level for their respective class.

## 2020 – 2021 School Year

Classes will be resuming in September under the guidelines set forth by the Provincial Health Authority and the School District of Surrey.

Please see the following details about the upcoming school year below.

1. Registration will open on **Saturday September 12<sup>th</sup>** and will be conducted in a manner to allow physical distancing. More details will be announced on **Monday September 7<sup>th</sup>**
2. Due to physical distancing class sizes will be very limited and registration will happen on a first come, first served basis
3. Registration will be first come first served basis
4. Call in registration is available on **Saturday September 12<sup>th</sup>** but there might be long wait times due to a single line for Gurmat School +1 (778) 551-5600
5. Classes will begin later in the month on **Monday September 28<sup>th</sup>, 2020**

There will be no overlapping classes with multiple departments. Each department will have a designated day or two throughout the week when their classes happen to ensure only the same group of students and teachers interact.

Classes will be limited to once a week in person and another day online if required. To ensure the safety of all students, parents and staff, the following changes have been implemented throughout each department. Little Khalsa Club (LKC) classes will be limited to ages 5-7 only to ensure proper physical distancing and a safer environment for all students & staff.

All students will be limited to selecting one subject. Due to physical distancing limitations, we want to be able to provide adequate opportunity to all students to choose the subject of their choice. We will eventually be implementing an online system for class registrations, payments and up to date communications with teachers but currently that will not be ready in time for the start of this school year.

Please note some classes might be moved online or cancelled if enough students do not register for that specific time block. Multiple classes might be combined into a single class if registration is low, to ensure that for the people who have registered their time block is still available.

We understand the class schedule is quite different from previous years, but we are trying our best to provide the same level of learning while keeping all students, parents, and staff safe.

As this is a new environment for all of us at Gobind Sarvar, please feel free to suggest ways we can improve the experience and increase the safety of everyone.

We will be continually monitoring the regulations in place and active COVID cases in the region. In some situations, we will need to adjust or change the format of the classes we offer to comply with regulations.
